OUTDOOR WARNING SIREN SYSTEM INFORMATION

DELAWARE COUNTY EMA

MONTHLY SIREN TEST INFORMATION

Delaware County will begin testing the outdoor warning siren system the first Wednesday of each month starting August 2, 2017.

This will replace the previous testing time of the first Saturday of each month at noon.

If there is the threat of severe weather, the test will be cancelled to avoid confusion.

The change is to better coordinate with nearby jurisdictions.

For more information on the outdoor warning siren system, receiving emergency communications, or severe weather preparedness, visit Delaware County Emergency Management on the web at www.delcoema.org, on social media @delcoema or contact Delaware County Emergency Management at (740) 833-2180.
